# CREATIVE ARMED FORCES DAY

**WEDNESDAY 10TH NOVEMBER**  
**SURREY UNIVERSITY**  
**9AM - 3PM**

## WHAT IS THE CREATIVE ARMED FORCES DAY?

The event brings together children from different schools, some from military families. The day gives these children a voice and contact with other service children and they will take part in a variety of workshops as well as a campus tour of the University. They will have a chance to meet service students studying in a HE environment and learn about their experiences.

## HOW DO WE GET THERE?

Schools will be offered free coach travel to and from the University for the event.

## WHAT YEAR GROUP?

This is suitable for year groups 9 - 11

The day is being organised by the Higher Education Outreach Network and if you would like your school to be involved with the event please contact Harry Deards on [h.deards@surrey.ac.uk](mailto:h.deards@surrey.ac.uk)
