

# Creative Forces Day 2021

## WORKSHOP SIGN UP SHEET

The SCiP Alliance over the years has developed a network of regional hubs that brings together partnerships and connects stakeholders. Two of these hubs; Yorkshire & North East and Lincolnshire & East Midlands have decided to join forces and run two collaborative Creative Forces Days specifically to inform and support Service children from Armed Forces families.

As partners of the SCiP Alliance we are all passionate about providing opportunities for individuals and communities to flourish. The aim of the event is to work with the young people within schools and colleges across the country to raise aspirations and awareness of further and higher education. This free conference will bring together the perspective of practitioners and students from Armed Forces communities.

We are hosting two separate free conferences to cater for primary and secondary schools.

Primary Creative Forces Day - 22nd June (9:30 - 12:30)

Secondary Creative Forces Day - 23rd June (9:30- 12:30)

We are looking for contributions for workshops for both days.

This is not an extensive list but we encourage contributions covering the following topic areas:

- FE/HE outreach activities
- Supporting students to achieve their potential
- Exploratory sessions: understanding the experiences of students from Armed Forces families and top tips to support
- Armed Forces services
- Subject Specific (e.g. STEM or Art & Design)

The workshops will be delivered online in the morning of the conference and will be 45 minutes long. Depending on the quality and number of workshop proposals presenters may be asked to deliver the workshop twice.

The deadline for submissions is Wednesday 5th May. We hope to let successful submissions know by the week commencing 10th May.

You are invited to complete the call for contribution form below which includes a 500-word workshop abstract proposal.

Part of both events will include a Q&A panel comprising of current FE/HE students and professional staff. If you are able to provide ambassadors for the Q&A section of the event please provide details in the questions below.

Finally as part of our aim to support Service children and create a lasting legacy we will be producing support packages to send out to all attendees. We are looking for donations (please no prospectus') to add into these boxes. If you are interested in donating resources (e.g. short guides, leaflets, stationery or other goodies) please tick the box and add in details of the resources you can donate at the end of the form.

If you have any questions please feel free to contact either: Marketing, Registration, Online platform
