# Application to the Thriving Lives Innovation Fund (Pilot) 2023-24

This form consists of two sections. Page one asks for details of you and your school. Page two gives you space to detail your project. Before completing this form, you may want to draft your section 2 answers offline, having read the guidance [https://www.scipalliance.org/assets/files/Thriving-Lives-Innovation-Fund-Application-Guidance-FINAL.pdf] and printout of the questions.

* Required

## About you

1. Applicant name and role *

2. Applicant email address *

3. Lead school name *

[                    ]

4. Lead school number of Service school children and total number on roll *

[                    ]

5. Please outline your project's collaboration with other schools, including a list of partners.

[                    ]

6. Local authority area(s) covered by the project *

[                    ]

## About your innovation

7. Title of innovation project *

> *(empty input field)*

8. What is the need your innovation will address (please refer to the evidence and the Thriving Lives Toolkit self-assessment you are including with this application) *

> *(empty input field)*

9. What is your proposed innovative solution? Please clearly state the aim of the project and briefly describe what you will do. *

> *(empty input field)*

10. How will you know you have been successful? Please detail up to three intended outcomes and list any outputs. Explain how you will use these to evaluate the project and what evidence you will use to assess progress against the intended outcomes and outputs. *

11. How will you ensure long term learning and impact? You might want to explain, for example, how you will share the learning, embed new approaches into future core provision, create new resources that will continue being used, or support upskilled staff to continue to deploy enhanced skills. *

12. Please outline the project timeline and explain how you will ensure you deliver your expected outcomes and outputs on time. *

13. Please detail the project budget and the amount requested. *

[text box]

14. Please confirm when you have emailed the pdf of your self-assessment downloaded from https://thrivinglives.scipalliance.org/ to scipalliance@winchester.ac.uk. *

○ Yes, I have emailed the self assessment

○ I will send it later but I understand my application won't be assessed without it

15. Please confirm that you have read our privacy statement (https://www.scipalliance.org/assets/files/Data-privacy-statement.docx) and that you will work with the SCiP Alliance to produce a case study documenting your project, for publication on the Alliance website. *

○ Yes

# Thank you for taking the time to complete your application. Please press 'submit'.
