### Hub activity summary:

#### Effective practice

- Session on military families to teaching students at Kingston University organised by Alison Baverstock.
- Hub meeting held – new attendees in key areas

#### Challenges

- Identifying stakeholders in schools remains an issue but we are working on this with our members
- Developing focus of the Hub – are we engagement, data or both?

#### Ideas

- Trying to exploit existing data in London area - SPP and housing information, councils and pupil attainment data

#### Priorities

- Keen to start sharing and implementing good practices across schools and HE institutions.

#### Questions

- Private schools and how to connect – is this relevant to the SCiP Alliance and the London Hub?
