- Work has started pulling together a comprehensive map of the Military footprint in Scotland.
- Abertay University and the University of the Highlands and Islands (Inverness campus) are planning Creative Forces days.

Challenges

- Identification of students from AF families remains a challenge.
- The format of pre service training and CPD materials needs to be decided.

Priorities

- Continue to address the Action Plan.
- The Scotland Hub needs to decide how best to contribute on a more regular basis to the SCiP Alliance website.

Questions

- How can the Hubs communicate on a more regular basis? Through the SCiP website?
- How can we use SCAPP to facilitate the SCiP agenda / spread the word?
