

## Yorkshire and North East Hub

1:30pm – 4pm, Friday 16<sup>th</sup> November 2018

The November 2018 meeting of the SCiP Alliance Yorkshire and NE Hub was hosted at North Yorkshire County Council's headquarters in Northallerton County Hall and was based around a CPD element.

Three secondary schools and one FE college attended in addition to the usual members.

After introductions to the Hub, to the Alliance and to SCISS, members enjoyed interactive workshops:

- Support and challenges around UCAS applications (facilitated by York St John University)
- An exploration of the Children's Commissioner's recent Kin and Country report (facilitated by North Yorkshire County Council)

The meeting also generated new plans for the following year such as a local stakeholder consultation to inform a process to develop the Hub's detailed Terms of Reference within the Alliance's Hub framework.
